

CASSADY SOUTHERN & THE PARTY

ABOUT

We're a rhythm and blues rock'n'roll band playing catchy original tracks in a variety of styles, including rock, pop, country and blues. In addition to originals, we play tribute to many of our heroes such as the Rolling Stones, Jimi Hendrix, Aussie rock and more.

The band brings extensive skill and experience, including:

- Lead guitar: Rob Drummond
- Drums: JD
- Bass guitar and BVs: John Montgomery
- Keys, harmonica and BVs: Dai Nettle.
- Vocals: Cassady Southern.

FEEDBACK AND REVIEWS

"In her latest release, 'On The Road' Cassady Southern reinforces her feel-good, authentic, and vibrant style.... Listening to her will instantly cause you to reminisce of artists like Shania Twain, Dolly Parton, Hank Williams, and Tim McGraw" - [Good Music Radar](https://www.goodmusicradar.com/singer-songwriter/cassady-southern-on-the-road/)

"At the same time, Cassady brings her distinctive sound that is like nothing out today". - [Rising Artists blog](https://risingartistsblog.com/2024/03/12/on-the-road-by-cassady-southern/?fbclid=IwAR34WDdpo1FltE6yso4GCekN_ZmAZo_MAHaHVG DY_u0ZmW6Xz0y0HjU05MQ)

"Cassady Southern continues to prove that she is "Little Miss Versatile". Her new song 'On The Road' is a body movin', country rockin', little gem; it will surely gain her an army of new fans from amongst country music enthusiasts. - [Alan Edwards \(Musical Australiana\) 104.7 Gippsland FM](#)

"With a passion for music and treasure trove of original music, Cassady is fast becoming one of my favourite artists". - [Crystal Lutzow, Sounds of Macarthur radio](#)

"The song emerges as a forceful and evocative piece, blending raw emotion with powerful instrumentation. As the echoes of "What's going on?" reverberate, Cassady Southern solidifies her place in the Australian music scene, leaving an indelible imprint that will resonate for years to come". - [Musikepool](https://musikepool.com/sonic-reverberations-cassady-southern-powerful-anthem-whats-going-on/)

"...While keeping her trademark lyrical flair, Cassady has expanded her musical horizons by branching out from folk and pop sounds. Embracing her rock instincts so fully allows new facets of her talent and charisma to shine brightly. The irresistible guitar riff and stellar vocals come together for an explosive rock song sure to get stuck repeating in your head". - [Medium](https://medium.com/@EDMREKORDS.COM/https-edmrekords-com-news-f-whats-going-on-original-single-ab8b6e1443cf)
